G.O. NO. 3405 P.H

Dated 26.8.49

[Despatch Abstract.]

Compounders - Training - Govt. Head Quarters Hospital, Mangalore. — Re-organised as a training Centre.

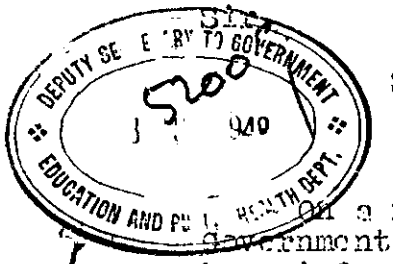
C.No.15483-49

S.K.District Board Office,
Mangalore, Dated 29-6-49.

From
Syed Ahamed Saheb Bahadur, B.Sc, (Hons),
Special Officer, S.K. Dt. Board.

To
The Secretary to Government,
Education & Public Health Department
MADRAS.

Sir,



Subject: COMPOUNDERS - Training centre - to be reopened at Mangalore - requested.

On a reference made in this office C.No.14915 -47 dated 20-8-1947 Government in their memorandum No.65015/47-4-G2-P.H., dated 7-2-1948 have informed that they are considering separately the question of providing training for compounders in ten more District Headquarters Hospitals.

2. From the rules relating to training of compounders approved in G.O.No.2797-P.H., d/27-10-1937, revised and reissued in G.O.No. Ms.1892-P.H., dated 24-5-49, it is seen that the Dt.Headquarters Hospital Mangalore is not included in the list of training centres. Candidates for training as compounders were being admitted in the past at the Dt.Headquarters Hospital Mangalore and as it will be too difficult for the candidates of this District to go for training at far off stations like Calicut etc, with the meagre stipend allowed viz, Rs.20/-p.m. I request that Government may be pleased to reopen the training centre for compounders at Mangalore as early as possible as much difficulty is experienced in some of the L.F.Medical --- Institutions for want of trained compounders.

FOR SPECIAL OFFICER.

Sir

Ref:-Govt. Endt. No.52009 D2/49-1 P.H. dated 12-7-49 on the letter No.15483-49 dated 29-6-49 from the Special Officer, South Kanara District Board.

Sub:-Compounders - Training Centre - Recognition of Headquarters Hospital, Mangalore.

I recommend the proposal.

2.There is already a post of Pharmacist sanctioned for the Government Headquarters Hospital, Mangalore. But no Pharmacist has yet been appointed on account of paucity of applicants in spite of the notification inviting applications from

60896

from candidates for the posts of pharmacists. The work of the pharmacist is being carried on by the Resident Medical Officer with the assistance of the senior compounder.

Memo. 15200 9 D2/49-2 P.H. dt 13.8.49

Compounders - Training - Recognition of Headquarters Hospital, Mangalore as training centre. Proposal.

Ref: From the S. G. No 63688-G-49 dt 6.8.49.

The S.G. in his letter cited has recommended the proposal of the Special Officer, South Kanara Dt. Board to recognise the Dt. Head Quarters Hospital at Mangalore as a training centre for Compounders. and he has also stated that the work of the Pharmacist is being carried on by the R.M.O. with the assistance of the Senior Compounder due to the non-availability of a regular Pharmacist. He is requested to state whether it is his intention that Govt. should sanction five stipends to train five candidates in the hospital, as in the case of other training centres in addition to the stipends already sanctioned and whether the candidates can be trained

without the assistance of a regular Pharmacist employed in the hospital.

Note: A training centre should have a trained Pharmacist on the staff, which is an essential condition for a training centre to function. No Pharmacist has been employed in the hospital in question. The S.S. may be asked to state whether the candidate to be trained in this hospital, if recognised as a training centre, can be trained without a regular Pharmacist on the staff. The draft in Hi-1-2 above is for approval.

Compounders - Training. Recognition of the Head quarters Hospital, Mangalore as a training centre.

From the S.G., S. Kanara Dt. Bd., No. 15483/49 29649
From the SG Rep. No 63658 dg. 4985 dg. 15949

The S.G., S. Kanara Dt. Board reports that the Govt. Headquarters Hospital, Mangalore was once a training centre for training compounders and requests to reopen the training centre in the hospital, as much difficulty is being experienced in some of the Dt. medical institutions for want of trained compounders. The SG recommends the proposal. It involves the grant of five stipends to five candidates to be trained at the rate of Rs. 20/- each per. for the first 9 months and at Rs. 25/- each per for the next 3 months. The extra cost involved works out to Rs. 1275/- per annum. The training, if sanctioned, will commence in October next. There is a sanctioned post of pharmacist in the hospital but it has not been filled up on account of the paucity of qualified candidates. The SG. proposes to promote a senior compounder as pharmacist under emergency provisions till a qualified candidate becomes available and entrust the training to the compounder so promoted.

20 X 9 X 5 = 900
25 X 3 X 5 = 375
1275

2. There are now 20 recognised training centres for compounders and 115 stipends have been sanctioned for candidates undergoing the training. There is a proposal to recognise the Govt. Head quarters Hospital, Kasaragod as a training centre and to sanction 5 stipends for the candidates to be trained there. In spite of these facilities there is a great dearth of qualified compounders. The proposal is to recognise the Mangalore Head quarters Hospital as a training centre & to sanction

sanction for stipends for the centre may therefore be accepted. Fifty percent of the stipends may be met by local bodies who are willing to train compounders. The extra cost of Rs. 1275 involved in the present case will be reduced if local bodies are willing to train their candidates. The Stipend proposals may be accepted and the file sent to Fin. for remarks ~~prior to circulation~~.
